Waiver, Release and Indemnification

Students are strongly encouraged to consult the State Department Country Specific Information and Travel Alerts and Warnings at <https://travel.state.gov/content/travel/en/international-travel.html/> and the Centers for Disease Control (CDC) at <https://wwwnc.cdc.gov/travel/notices> with regard to their destination country prior to signing this Agreement. Most countries currently have a Level 3 (Reconsider Travel) travel advisory level due to the COVID-19 pandemic.

Student states that his/her participation in this program or activity abroad is wholly voluntary.

Student states that s/he understands that certain risks are inherent in foreign travel and that s/he fully accepts those risks. These risks may include, but are not limited to, such things as war, quarantine, civil unrest, public health risks, criminal activity, terrorism, exposure to communicable diseases, ill effects of unfamiliar food and water, incidents related to ground, air or water transportation, adverse weather conditions, accident, injuries or damage to property, and other physical, mental, and emotional injury.

Student states that s/he fully understands that pandemic-related restrictions could inhibit or prevent the ability to travel to and from the program abroad location, even for exceptional circumstances like a death in the family or medical emergency, and that IU may not be able to provide any assistance if Student is prevented from traveling, including if flights are cancelled or travel restrictions prevent or inhibit Student from returning home.

Student states that s/he fully understands that due to the COVID-19 pandemic, it is possible the program abroad could be cancelled, shifted to a different form of instruction, or otherwise revised at any time, and that such change could impact Student's degree progress.

Student states that s/he understands that due to the nature of the COVID-19 disease, it is impossible to eliminate the risk of being exposed to or contracting COVID-19 while participating in the program abroad. COVID-19 is thought to spread largely through respiratory droplets carrying the virus and can spread through airborne transmission.

Student states that s/he fully understands the above risks and the scope of the activities involved in the program, including those related to the COVID-19 disease, and that s/he agrees to assume the risks of the participation in the program, including the risk of exposure to and infection from communicable diseases, catastrophic injury, or death.

Student states that s/he fully understands that Indiana University does not represent or act as an agent for, and cannot control the acts or omissions of, any other provider of services involved in the program or activity.

Student states that, for and in consideration of acceptance in the program, Student and his/her heirs, successors, assigns, and personal representatives agree to indemnify, hold harmless, release and forever discharge Indiana University, its Trustees, employees, agents, and cooperating institutions and their offices and agents from any and all claims, liabilities, losses, and expenses, including reasonable attorney's fees, for any injury, loss, or damage to any person or personal property, including catastrophic injury or death, arising out of or relating to the program abroad or suffered by Student (including those related to travel to and from the program site), whether caused by IU's negligence or otherwise, to the fullest extent provided by law.

Student states that s/he agrees that information in the Student's University records, including disciplinary, academic and medical records, may be available to Overseas Study and cooperating institutions, with the understanding that the information will be kept confidential to the extent provided by law.
